

CYP AFRICA REGIONAL YOUTH CAUCUS CHAT ROOM SURVEY

Commonwealth Youth Programme has increasingly created opportunities for the Youth to contribute to decision making processes that affect their livelihoods, their communities and societies. One such opportunity is through the Regional Youth Caucus (RYC) which is a mechanism responsible for ensuring in-put into the CYP decision making at the Regional and Pan-commonwealth level.

CYP has further provided ‘space’ for access of information and knowledge through the RYC chat room initiative. The desired intention was to enhance young people’s interaction and exchange of ideas and practice.

The RYC chat room has never been reviewed since inception. The aim of this questionnaire therefore, is to get feedback from RYC members on how it can be made relevant. It is envisaged that RYC members’ input will be of great value in that they have had hands on experience with this communication tool.
